

Docket 98-120

September 05, 2007

Federal Communications Commission
The Honorable Kevin J. Martin, Chairman
445 12th Street, SW
Washington, DC 20554

Dear Mr. Martin:

I respectfully submit to you my support of the Cable TV Viewability Proposal. I know you will give this proposal strong consideration to guarantee analog cable subscribers will not be disenfranchised after the DTV transition. TV signals must be protected from material degradation so that consumers can reap the full benefits of HDTV.

Thank you for the opportunity to share my concern.

Sincerely,

Van Comer
President & General Manager
